We are teenagers that are passionate about God, eager to realize our potential in Christ, and looking to serve others.

LOVE God

God loved us enough to send His son to die for us. It is not hard to

WANT to love God, but most don't know how to *REALLY* love Him. Thankfully, God tells us how in the Bible. Come to Youth Group and learn for yourself.

GROW in Christ

We all are growing, but what are we growing into? God gave us

an example in His Son, Jesus. Youth Group is a place that encourages growth in Christ!

SERVE Others

Service is a result of loving God (and understanding His love for

you) and Christlikeness. Be around us enough and you'll see we are intentional about serving others!
